

**Intermountain Region (R4) Fire Hire
Outreach Notice
Wildland Fire Positions
GS-462-03 - GS-462-08
October 4, 2016**

The Intermountain Region is looking for a committed, hardworking, highly skilled workforce to manage/suppress wildfires and work in fuels management on 12 National Forests located in Idaho, Wyoming, Utah, Nevada and California. The fire and aviation management program is very rewarding and requires talented people working safely as part of a team in a variety of specialized positions; including dispatch, engine crews, fuels management, hand crews, helitack, interagency hotshot crews, smokejumpers, prevention and wildland firefighter apprentices. The Fire Hire process has been implemented to streamline the hiring process for permanent fire positions and provide consistent hiring around the Region. This hiring process assists the National Forests in the Intermountain Region to fill vacancies in a more efficient and timely manner.

This outreach is for GS-0462-03 through GS-0462-08 current career permanent fire and fuels positions. The vacancy announcements for these positions will be posted on the U.S. Government's official website for employment opportunities at, www.usajobs.gov. These are Regional Vacancy announcements with a specific opening and closing date. The Vacancy Announcements will be open for applications on **November 1, 2016**. Those that wish to be considered for these positions in the Spring Fire Hire event must apply to the vacancy announcements by the cutoff date of **November 15, 2016**.

All applicants who have applied to the announcements on or before the listed cutoff date and are found to be qualified and in the quality group will be referred for consideration. **While these are the current vacancies available throughout Intermountain Region, please apply to any position and duty station you may be interested in as those positions may become vacant through the Fire Hire process.**

On the R4 Fire Hire web page <http://www.fs.usda.gov/detail/r4/fire-aviation/?cid=STELPRDB5375168> there is a list of vacant positions and positions that have the potential to become vacant during the selection week. For questions regarding the potential process for backfill positions, please contact Matt Nielsen at msnielsen@fs.fed.us or 801-625-5403.

Please respond to the outreach if you are interested in applying to any position through the Fire Hire process. Your response is important. Please address your outreach response to the contact listed for each location. Additional information about the position is available from the direct supervisor.

Land Management Workforce Flexibility Act

Important Note: Under the Area of Consideration for the identified WFAP GS 3/4/5 Merit announcement, Region 4 will be including the Land Management Workforce Flexibility Act (LMWFA) for eligible applicants. So, along with Forest Service-wide applicants already in career or career-conditional appointments, temporary employees who meet the LMWFA eligibility requirements may also apply to the merit announcement. For this Act, a time-limited competitive appointment is either a temporary appointment or a term appointment defined as:

- Temporary Appointment is a competitive nonpermanent appointment for a period not to exceed 1-year (may be extended up to a maximum of 1 additional year for a total of 24 months of service). This includes 1039 appointments.
- Term Appointment is a competitive nonpermanent appointment for a period of more than 1-year but not more than 4 years.
- *Excepted service temporary appointments do not count toward eligibility for this Act.*

Eligibility Criteria:

- Appointed to the initial time-limited appointment under open, competitive examination (e.g., OPM competitive list of eligible, Demonstration Project Authority, Delegated Examining, etc.); and
- Must have served in the specific land management agency/agencies under 1 or more time-limited appointment(s) for more than 24 months (without a break in service of two or more years); and
- Performance was at an acceptable level throughout the (more than) 24 months of employment; and
- Most recent separation was for reasons other than misconduct or performance

Applicants **MUST** provide the following to prove eligibility:

Documentation of Service Time eligibility: Copies of their Notification of Personnel Action(s) (SF-50s) showing the employee has served in appropriate appointment(s) for a period/periods that total more than 24 months **without** a break in service of two or more years. (Include initial hire actions, extensions, conversions and termination/separation SF-50s for each period of work). *Failure to provide proper documentation in order to determine eligibility may result in the applicant being not LMWFA Eligible.*

Land Management Agencies are defined as:

- **USDA:**
 - Forest Service
- **Department of Interior agencies:**
 - Bureau of Land Management
 - National Park Service
 - Fish and Wildlife Service
 - Bureau of Indian Affairs
 - Bureau of Reclamation

REQUIRED DOCUMENTS:

The following documents must be submitted to constitute a complete application package. It is your responsibility to ensure that all required documents are received within the required timeframes. Our office cannot be responsible for incompatible software, delays in the mail service etc. Failure to submit required, legible documents will result in elimination from consideration.

1. Resume that includes the following information: 1) job information for which you are applying; 2) personal information; 3) education; 4) work experience; and, 5) other qualifications (including IQCS Master Record).
2. College Transcripts if education is required for meeting basic qualifications and/or you are substituting education for specialized experience. An unofficial copy is sufficient with the application, however, if selected, an official college transcript will be required.
3. DD-214 (Member 4 Copy) and/or SF-15 Application for 10-point Veteran Preference if claiming Veterans' Preference or eligibility for appointment under the VRA, VEOA, or 30% Disabled Veterans hiring authority.
4. SF-50 Notification of Personnel Action if you are a current or former Federal employee that will verify your federal status, position title, series and grade. FSA County employees must provide the most recent Notification of Personnel Action (Form SF-50-B or FSA-50) that verifies permanent status. Also provide the SF-50 that reflects the highest grade level held on a permanent basis or the full performance level of your current position, whichever is higher.
5. Annual Performance Appraisal if you are a current Federal employee. Submit the most recently completed annual performance appraisal (dated within 18 months) which identifies the employee's official rating of record, signed by the supervisor, or a statement advising why the performance appraisal is unavailable. Do not submit a performance plan.
6. Certification of Disability if you are eligible for appointment based on a disability under the Schedule A hiring authority. This certification can be documented by a counselor from a State Vocational Rehabilitation Agency or the Vocational Rehabilitation and Employment Service of the Department of Veterans Affairs; by a statement or letter on a physician/medical professionals' letterhead stationary; or by statements, records, or letters from a Federal Government agency that issues or provides disability benefits. The certification must verify the applicant has a severe disability, is eligible under a Schedule A appointment authority, and he or she is able to perform the essential duties of the position. The certification must also describe any needed

reasonable accommodation. You can review additional information at:
<https://www.opm.gov/disability/appempl.asp>.

7. If you are eligible for appointment based on service in the Peace Corps, Vista, Action Cooperative, or another special authority, submit proof of eligibility.

8. CTAP/ICTAP documentation if separated from Federal service or pending separation based on a reduction in force (RIF) or other management workforce reduction action. Proof of eligibility must include a separation notice or Certificate of Expected Separation, SF-50 that documents the RIF separation action or most recent SF-50 (that is not an award), and latest performance appraisal (dated within the last 18 months) or a statement advising why one is unavailable.

9. A current copy of your IQCS Master Record showing your training and qualifications for the position. If an IQCS Master Record is not available, some form of documented proof of training and qualifications will be needed for most positions.

NOTE: If a document is resubmitted, it replaces the previous submission, which means the previous document is no longer available to the Human Resources Office. If you are adding to, rather than replacing a previous submission, you must upload both the old document and the new document.
